### Prayer:

Hear our prayer of lament, Oh God, We can't really imagine what it would be like to suffer for your Name. Open our hearts to the men and women sitting behind bars because they voiced their faith in you. Raise our consciousness level to the cry of those in need simply because they bear the name Christian. Cause us to respond to the youth whose education is denied because they dare to name your Name. Faithful God, make us aware of those for whom at great cost, and greater peril, quietly call themselves your disciples in a world where being a Christian means persecution. We hold them in your Light. Ancient of Days, help us to kneel with them in prayer to stand with them in solidarity. Let them know that across the miles, beyond the silence, we add our prayers to yours for them. Help them to know they are not forgotten. May they feel the prayers of your people calling out in their behalf. Show us concrete ways our lives can make a difference. Tune our hearts to hear their cries, when we wake, when we eat, while we worship, while we work and when we go to rest. O God keep them in our minds, and we will hold them in our prayers. Amen
